Get this from a library! A companion to American women's history. [Nancy A Hewitt:]

It is impossible to overstate the value of Nancy Hewitt's Companion to American Women's History. It guides us, with tremendous authority, into the vast world of American women's history, as it has developed and as it stands at the beginning of the 21st century. But it is also a powerful intervention.

Each contributor thoroughly synthesizes germane works while incorporating issues such as race, class, and religion. Highly recommended as an introductory examination of American women's history." Choice It is impossible to
