I read this before visiting Dornoch and thought the book was rudderless from about page 100. I re-read after visiting Dornoch and had a greatly increased appreciation for this book -- especially the rudderless structure as a metaphor for the serenity Rubenstein achieved while in Scotland. [A Season in Dornoch](#) is the account of that summer.

Rubenstein writes about the melancholy history of the Highland Clearances, and the friendly, sometimes eccentric, people who love their town, their golf, and their single-malt whisky, and delight in sharing them with visitors that they recognize as kindred spirits.
