Jen Schefft's book Better Single Than Sorry was recommended to me by another friend. Although there isn't anything extremely insightful written, I did really enjoy reading it and actually bought a copy for one of my other single girlfriends. Rather than a self help book, it was more like sitting around with a bunch of girlfriends talking about our experiences. It made me feel okay with where I

Better Single than Sorry has a simple, refreshing and powerful message. It's far better to be single than to end up with someone who doesn't make you happy just because you want to be in a couple, feel pressured by society / your friends / your mother, or you want to get married or have kids. She's all for compromising and being realistic, but she encourages women not to settle for the sake of it.
