[Conservative Victory: Defeating Obama's Radical Agenda by ...](#)

Sean Hannity makes a call for the resurgence of conservative principles in American politics in his book. As has been demonstrated by current events, President Obama is on a path to steer the United States into a radically different country than what was envisioned at its founding.

[Conservative Victory - Sean Hannity - Paperback](#)

Sean Hannity has been sounding the alarms about Obama and his agenda from the start. Now in his first new book in six years he issues a stirring call to action. Hannity surveys all the major Obama players from the president's affiliation with radical theology to his advisers' history of Marxist activism, repression of the media, support for leftist dictators, and worse. He exposes their
