Digital Disconnect by Robert W. McChesney: MUST

READ October 31, 2013 I don't often highlight passage after passage in any of my Kindle books and I rarely buy one after reading most of a print copy but I bought Robert W. McChesney's Digital Disconnect after reading most of it, and my copied highlights in 11 point are 21 pages long. **Digital Disconnect capitalism, the Internet & democracy**

Digital Disconnect, based on Robert McChesney's critically acclaimed book of the same title, argues that the revolutionary and democratizing potential of the Internet has been blunted by consumer capitalism and corporate power.

But according to Robert W. McChesney, arguments on both sides fail to address the relationship between economic power and the digital world. McChesney's award-winning Rich Media, Poor Democracy skewered the assumption that a society drenched in commercial information is a democratic one. In Digital Disconnect McChesney returns to this provocative thesis in light of the advances of the digital
