Review: Fall Girl by Toni Jordan [Readings.com.au](#)  
Fall Girl is a fun read written by one of Melbourne's most accessible writers. I will be surprised if Fall Girl does not become the book to take to the beach, pool, or park over summer. Sometimes we all need a little escape from our own mundane lives and with Toni Jordan, one is in very safe hands.

Fall Girl Toni Jordan

Someone is going to take a fall. A sparkling, sexy read from the author of *Addition*, *Fall Girl* is a story about passion and loyalty, deceit and integrity, and the importance of believing in things that don't exist.

Purchased this book because I read *Addition* by Toni Jordan and I loved it. *Addition* was wildly funny and romantic with history, mystery, and medicine. *Fall Girl* is a look into the world of con artists and their lives - a very different book from *Addition*. I was a quick weekend read.
