**Forgotten Land: Journeys Among the Ghosts of East Prussia ...**

Forgotten Land is a story of historical identity and character, told through intimate portraits of people and places. It is a unique examination of the layers of history, of the changing perceptions and myths of homeland, of virtue and of wickedness, and of how a place can still overwhelm those who left it years before.

Forgotten Land is a story of historical identity and character, told through intimate portraits of people and places. It is a unique examination of the layers of history, of the changing perceptions and myths of homeland, of virtue and of wickedness, and of how a place can still overwhelm those who left it years before.

**Conscientious | Review: Forgotten Land by Max Egremont**

Egremont chronicles East Prussia not through its history (there is a lot of history in the book, but it's not written like a history book) or through what you can find on the land (there is a lot of that in the book, too, but again, it's not written like a guidebook to what used to be East Prussia). The author approaches East Prussia through the people

who were affected by it: East
