Liberal Arts Education for a Global Society

Liberal Arts Education for a Global Society by Carol M. Barker 2000 Carnegie Corporation of New York. In the last third of the twentieth century, the United States produced a new model of higher education, one that was more dynamic, inclusive and productive than ever before. Scholars have advanced specialized knowledge on all fronts while such innovations as community colleges, standard

Thomas Mullen at University of North Florida ...

Professor Mullen makes lectures fun and explains the material well. He gives easy points such as clickers that students use to answer questions in class, so attendance is kinda important. There are three midterms and a final but he drops the lowest midterm grade. Overall, the class isn't

hard to pass.
