[Using Large Message Requests in Silverlight with WCF ...](#)

Today I was working with a client and ran into a problem I didn't expect. This particular problem had to do with Silverlight consuming a WCF Service. Sometimes WCF causes me to spew four letter words. There is a class of WCF problems that cause this: connection rejection. WCF has been designed to

[A Year with Silverlight - Shawn Wildermuth](#)

I just arrived back from teaching Silverlight in Toronto and was thinking about what I was doing this time last

year. A year ago I had just finished spending a couple of months with WPF/E (the name before it was Silverlight) and had given a two day class in Seattle to some internal groups on WPF/E.
