[God: A Story of Revelation by Deepak Chopra - Goodreads](#)

Mr. Chopra shows some examples of the many different angles from which God works. He uses different enlightened people, from different religions and different parts of the world to give you a more broad perspective of God. This was a very good read, and I'd recommend it to anyone who feels spiritually closed minded, and is ready to be opened to a whole new light!

[How to know God - Chopra - Deepak The Divine Mine](#)
According to Chopra, the brain is hardwired to know God. The human nervous system has seven biological responses that correspond to seven levels of divine experience. These are shaped not by any one religion (they are shared by all faiths), but by the brain's need to take an infinite, chaotic universe and find meaning in it. How to Know God describes the quest each of us is on, whether we
