[How To Think More About Sex - Alain de Botton](#)

This book argues that 21st-century sex is ultimately fated to be a balancing act between love and desire, and adventure and commitment. Covering topics that include lust, fetishism, adultery and pornography, Alain de Botton frankly articulates the dilemmas of modern sexuality, offering insights and consolation to help us think more deeply and wisely about the sex we are, or aren't, having.

His recent book, *How to Think More About Sex*, places the emphasis on think much more than on sex, as you might expect from a writer of his caliber. This is not a book of titillation, nor is it a sex manual, or a biological study. De Botton takes this usually unmentionable subject and presents reflections that build appreciation for our relationships.
