A Great Turning Leadership must come from We the People. With no precedent or model to guide us, we must learn as we go, sharing the lessons of our experience as we withdraw our support from the institutions of the old economy and live into being the institutions of a New Economy that aligns with Ecological Civilization's vision of possibility.

The Great Turning traces the ancient roots of Empire and charts its long evolution from monarchies to the transnational institutions of the global economy. Empire is not inevitable, not the natural order of things, Korten argues. He draws on evidence from sources as varied as evolutionary theory, developmental psychology, and religious teachings to make the case that "Earth Community", a life
