The Harvest by Robert Charles Wilson - Goodreads I read Wilson's A Bridge of Years in 1996, and though I can't remember much about it now, at the time I really liked it, enough so that I picked up The Harvest when I saw a copy. That was probably close to 20 years ago. This is a nicely written sci-fi book which concentrates more on the human element and human interaction than the sci-fi elements, which

I adore Robert Charles Wilson. I refer to this book as his "Stephen King book". At times it feels like King, if King were a better prose stylist and wrote Science Fiction, rather than horror and fantasy. This is one of the first Wilson books I read and I found it engrossing and completely entertaining, with a wonderful Arthur C Clarke kind of philosophical SF that also tells a great story. It feels a bit like Childhoods End. I completely recommend this book- it's, at the very least, highly
