The Many Concepts of Social Justice in European Private Law

This insightful book, with contributions from leading international scholars, examines the European model of social justice in private law that has developed over the 20th century. The first set of articles is devoted to the relationship between corrective, commutative, procedural and social justice, more particularly the role and function of commutative justice in contrast to social justice. The second section brings together scholars who discuss the relationship between constitutional

The Many Concepts of Social Justice in European Private ...

An appreciation by Phillip Taylor MBE and Elizabeth Taylor of Richmond Green Chambers Micklitz's work bringing together 15 contributors (and himself) to produce a highly detailed, and rather long series of linked theses, but the many concepts sparkle when addressing the finer points of modern social justice theory.
