If the study of the Western literary canon were a standup routine it would be called The Western Lit Survival Kit and it would be very funny! [return][return] Sandra Newman's overview of 2500 years of literary aspirations is an irreverent guide to the classics, from Homer to Faulkner. I know this because it's clearly stated on the cover.

The Western Lit Survival Kit is a whistlestop tour through Western Literature from the Greeks to the twentieth century. The sections on each author include a brief biography, a summary of major works and then a rating for importance, accessibility and fun. Designed for the non-expert, it's all written in a tongue in cheek style that is the opposite of a stuffy academic writing.

This is a witty, entertaining but genuinely informative trawl through the western literary canon, populated as it is

mostly by Dead White Males but also full of some wonderful words. Newman's love

**Review: The Western Lit Survival Kit by Sandra Newman**

Sandra Newman, author of *The Western Lit Survival Kit*, argues that reading the classics has shifted from being an activity we do for fun to an activity with Greater Meaning and Significance. Even people who don't want to read the great books will read about the Great Books.

This survival kit will guide you painlessly through the Western literary canon, century by century: from Ancient Greek drama to the modern novel, via Beowulf, Chaucer, Shakespeare, Romantic poetry, Tolstoy and Proust. There are entertaining plot summaries, unpretentious definitions of literary movements and fresh insights into authors' lives. With each work assigned ratings from 1 to 10 on

**THE WESTERN LIT SURVIVAL KIT** by Sandra Newman | Kirkus Reviews

A clever tour d'horizon of what you might encounter in a Great Books course in college. At first glance, Newman's (Read This Next, 2010, etc.) work comes across as a comedy routine meant to poke many of the received-opinion greats in the eye with a sharp stick, much in the manner of Ovid, one of the author's favorites.
