Tried and Convicted offers a controversial look at how our constitutional rights are often circumvented by the criminal justice system with impunity. Readers interested in personal liberties and rights will be intrigued by the ways in which those rights may be trampled should they enter the criminal justice system on the criminal end.

**Tried and Convicted: How Police, Prosecutors, and Judges ...**

Michael Cicchini is a defense attorney whose experiences in the criminal justice system, judging from this book, have not been particularly positive. His intended audience is the general reader.
